

INVITATION TO PREQUALIFY GENERAL CONTRACTORS

Proposals for pre-qualification of general contractors for construction of the **8000 West Booster Pump Station Replacement Project** addressed to Mr. Terry Pollock, District Manager, will be received at the office of the **Magna Water District** (Owner), 8885 West 3500 South, Magna, UT 84044 until 11:00 a.m. local time on Tuesday July 18, 2017. Any proposal received after this specified time and date will not be considered. Prequalification packets will be available by email request to Michael Hartvigsen at mhartvigsen@epiceng.net on Monday July 3, 2017.

This pre-qualification invitation is for the construction of a dual 3000 GPM culinary water booster pump station and future secondary water booster pump station including a new masonry building, vertical turbine pump and motors w/pump cans, pump discharge and pressure relief piping, site piping, heating and ventilation, electrical, site work, landscaping, and coordination to minimize shutdown time and providing temporary services as necessary.

The Owner intends to award this project by August 10th, 2017 following the pre-qualification and bidding processes.

A pre-bid meeting date will be established after selection of prequalified contractors is made and design is complete. All bidders for the project must be prequalified with the Owner. Bids will not be received from bidders who do not hold a prequalification letter from the Owner.

For information concerning the proposed project or for an appointment to visit the proposed work site, contact Clint Dilley with Magna Water District at (801) 250-2118 or Michael Hartvigsen of Epic Engineering, P.C. at (801) 955-5605.

The Owner reserves the right to reject all proposals or any proposal not conforming to the intent and purpose of the prequalification documents.

Dated this 29th day of June, 2017
