In order to obtain service, each customer must agree to be governed by the District's Rules and Regulations. Property owners must allow District access to all meters, lines and facilities.

The property owner is liable for all secondary water bills for the above described property including the bills for any and all rental units thereon. Magna Water Company reserves the right to terminate secondary water services provided to any or all units covered by this Application and Agreement. Accounts will be considered delinquent 30 days after billing date. The owner agrees to pay interest on all past due amounts at the rate of **18%** per annum, grants a lien right for all such amounts, and agrees to pay all costs of collection including reasonable attorney fees.

The owner is responsible for the proper maintenance and repair of water service lines from the customer side of the meter box to the owner's property. The Owner is responsible for proper maintenance and repair of water lines from the owner's property to the point where the connection is made to the water main line.
